## Summary

Fortas Mohammed Abdeldjalil Mokhtar, a L2 computer science student at Oran University (Ex IGMO). Blogger and AIO(software compilation menus) designer, programs & websites arabizer(localizer). With some experience in forums, social media, SEO. Known as "Fcman5" on Internet. I have contributed in many localizing projects for Mozilla, CodeBlocks, Tor, Ubuntu Builder... Far from IT: I'm a Certified Advanced EFT Practitioner (AAMET). Besides that I had some experience in dieting and fitness after a long weightloss journey (-50kg).
